- 4/5/22: Options Under the Family Code – Understanding the Process
- 4/7/22: Pleadings – Beginning the Process
- 4/12/22: Considerations for Children
- 4/14/22: Monetary Considerations
- 4/19/22: Trials and Post-judgment
- 4/21/22: Systems Change Options

Serving as an Expert Witness

March/April

Learn about serving as domestic violence expert witnesses in WI criminal and family law cases. During this introduction & overview, experts will discuss presenting qualifications, preparing for, & serving as an expert witness.

Transnational Marriage Abandonment

Spring

Transnational marriage abandonment lies at the intersection of immigration & patriarchal control, allowing abusers & states to enjoy impunity for violations committed against women in transnational spaces.

Preparing for Tragedy for Directors and Legal Advocates

Spring

This training will address issues including:

- Legal safety planning
- Confidentiality after tragedy
- Differences in how to address suspicious deaths versus natural causes.

Healthcare Access for Survivors

May 13

This training will address issues including:

- Confidentiality
- Screening and safety planning
- Abortion access/Reproductive justice

Immigration Protections for Immigrant Survivors

May 17

We will provide an overview of common immigration protections available to survivors and address emerging issues. This is intended for advocates working with immigrant survivors who would like to deepen their understanding of existing & forthcoming options, policies, and protections for immigrant survivors.

Restraining Order Basics

July 12

We will review restraining order law in WI, focusing on comprehensive safety planning that includes restraining orders as a tool to aid in the safety of the person seeking help.
