

End Domestic Abuse Wisconsin

Certificate of Completion

What's in a Name? Supporting Safety for Survivors through Identity Document Changes

This certificate acknowledges completion of the webinar, *What's in a Name? Supporting Safety for Survivor through Identity Document Changes*, presented by Diverse & Resilient on August 13, 2025. Participation in the live or recorded event fulfills the 2025 Wisconsin Department of Children and Families training requirement for domestic abuse program staff in Wisconsin.

This training is part of the LGBTQ Webinar series. All new staff should watch the core webinar on understanding and affirming survivors during their initial training period. This requirement only needs to be completed once and meets the obligation of new staff for the contract period. Each contract period, all staff must complete additional training, such as this one, on providing welcoming, inclusive, and accessible services to survivors in the LGBTQ community.
