Excused Absence Letter

Please excuse this student from school to attend an amazing personal development opportunity from February 09 to February 11, 2025, for the annual Teen Summit conference hosted at Wilderness and Glacier Canyon Lodge in Wisconsin Dells, WI.

Teen Summit Overview | The Teen Summit is End Abuse's largest training, developed by and for young people. It brings together youth, parents, educators, activists, and mentors from across Wisconsin and the surrounding area to learn about individual and community healing, anti-violence work centering those most impacted, and imagining violence-free futures. With youth keynotes and panels, the 2026 Teen Summit will feature the theme 'rEVOLutionary ACTS' with an emphasis on love and will take place in person!

Who Should Attend? | The event will host upwards of 450 people with the shared goal of preventing violence. Teens and youth ages 12-21! Adult mentors and advocates who work with or support teens are encouraged to attend; this includes parents, caregivers, teachers and school personnel, and those involved with sexual assault and domestic violence programs, tribal programs, runaway programs, and youth-serving organizations.

Safety Note | End Abuse will monitor COVID-19 risk and notify participants when changes are needed. Participants may be asked to wear masks in workshop spaces. Masks will be provided during those times.
